

Outings

These outings could be to the local shop, post box or even the library.

These will take place at different times of the year, sometimes spontaneously to widen children's learning and understanding depending on the weather and staff ratio.

A full Risk Assessment will be carried out and recorded prior to each trip.

Appropriate staff/child ratio will be upheld, and children will only go with playgroup staff members, who are DBS checked.

Permission for these trips will be obtained through a permission slip which we ask parents/carers to sign before the child starts playgroup and is kept with the child's records and stored safely.

Group Visits

Any visits to further afield places will be risk assessed and details will be given to parents well in advance of this happening.

Permission to take children will be sought and parents will be asked to sign a permissions slip for each event.
