

In Partnership with Parents.

At Chandlers Chatters Playgroup/Preschool we believe that the most effective nurturing environment happens when parent/carers and the group work together to create a Playgroup/Preschool in which all children and adults are valued.

This agreement details the key elements of this partnership.

The Playgroup/Preschool will:

- Provide a stimulating and safe learning environment in which children can play, develop, and belong.
- Provide varied opportunities and activities in which children can make sense of their world.
- Recognise that children are unique and develop their skills in different ways.
- Observe and record each child’s progress in their ‘little book’. We will collate this with each child and their parent/carer and use the child’s interests to plan appropriately for further learning and development.
- Care for your child’s safety and wellbeing.
- Use the framework of Early Years Foundation Stage and Birth to Five to underpin all that we do.
- Follow our Policies and Procedures in every element of our provision.
- Be available to talk to you should you have any queries regarding any part of our practice, the wellbeing of the children, or if you require additional advice or support in your role as a parent.

Signed on behalf of the Preschool team

..... Sue Allen (Manager)

Date.....

Parent/Carers will:

- Ensure that you contact us the first morning that your child may be unwell or not attending playgroup.
- Ensure children arrive at a session ready to play in appropriate clothing, with a bag of spare items and that Playgroup/Preschool are informed of any instances that may affect their child's general wellbeing that day.
- Attend meetings regarding their child's progress during the year for 10 minutes to discuss their child's progress.
- Familiarise themselves with the content of our Policies and Procedures and follow them as necessary; In particular: Fire Drill Procedure, Behaviour, Safeguarding and Complaints.
- Support the Playgroup/Preschool by helping with Fundraising.
- Notify the Playgroup/Preschool of any changes to their child's registration and contact details as soon as possible.
- Pay fees/consumables invoice before the start of a new term otherwise a £10 a week charge will incur.
